SCREEN OUT THE DIRT

NOW YOU CAN HAVE AN EFFECTIVE ROCK RAKE WITH A BUILT IN SCREENING BUCKET. YOU WILL BE ABLE TO SCREEN OUT MORE OF THE DIRT WHILE KEEPING ROCKS AND DEBRIS IN YOUR BUCKET!

REINFORCED BUCKET

WE MADE SURE TO REINFORCE THE BUCKET TO MAINTAIN ITS OVERALL INTEGRITY. YOU CAN SEE THERE ARE STILL METAL WEAR STRIPS ON THE BOTTOM JUST LIKE OUR STANDARD ROCKAWAY BUCKETS. YOU WON'T WEAR THIS SCREENING BUCKET OUT.

3/4" DIAMOND-SHAPED OPENINGS

WE CHOSE DIAMOND-SHAPED OPENINGS FOR THE ROCKAWAY SCREENING BUCKET BECAUSE THAT SHAPE ALLOWED US TO FIT MORE OPENINGS INTO THE BUCKET DESIGN. 3/4" X 3/4" CORNER TO CORNER, YOU'LL KEEP 1" AND LARGER ROCKS & DEBRIS IN.
