BIG ROCKS? NO PROBLEM!

ROCKAWAY SKELETON BUCKETS COME WITH 3" GAPS BETWEEN THE TINES TO ALLOW SMALLER ROCKS TO FILTER THROUGH. YOU CAN GET ALL THE LARGE ROCKS OUT WITH A ROCKAWAY SKELETON BUCKET.

GUSSETED STEEL TINES

ROCKAWAY SKELETON BUCKETS FEATURE POINTED GUSSETED STEEL TINES FOR MORE AGGRESSIVE BUCKET ACTION. THE GISSETS HELP SCOOP AND KEEP ROCKS AND MAKE THE BUCKETS BETTER FOR DIGGING AND GROUND CLEARING.

AMERICAN-MADE DURABILITY

ROCKAWAY SKELETON BUCKETS ARE CUT AND WELDED FROM AMERICAN STEEL. WE BUILD ALL OF OUR BUCKETS AND ATTACHMENTS WITH THE SAME DURABILITY FOR MANY YEARS OF REGULAR USE.
